DETAILED ACTION

Allowable Subject Matter

Claims 1-11, 14-26 and 31-35 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art either taken singularly or in combination fails to disclose an apparatus for cooling a bundle of capillary tubes comprising an inner jacket of thermally conductive solid material comprising mating inner jackets members movable between an open position to allow placement of the bundle in the inner jacket and a closed position in which the inner jacket members are mated together and the tube bundle is disposed inside the inner jacket, an outer jacket around the inner jacket and in thermally conductive relation therewith, the outer jacket comprising mating outer jackets members movable between an open position and a closed position in which the outer jacket members are mated together around the inner jacket and the jackets defining a window to permit the passage of light through the window and the capillary tubes of the bundle at the location of the window.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
